## **Auditor General for Wales' Audit Certificate and report**

I report in respect of my audit of the accounts under section 13 of the Act, whether any matters that come to my attention give cause for concern that relevant legislation and regulatory requirements have not been met. My audit has been conducted in accordance with guidance issued by the Auditor General for Wales.

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2022 of:

### **Rogerstone Community Council**

### **Auditor General's report**

### Audit opinion - Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my review and subject to the matters and recommendations identified below, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use
  of resources.

### **Basis for Qualification**

### **Accounting Statement**

I am unable to conclude whether or not the Accounting Statement properly presents the Council's income and expenditure for the year:

- The Council reports payments related to staff costs of the Jubilee Park (Rogerstone) Management Company Limited in line 4 with the recharge to the company recorded as a receipt in line 3.
- This appears that this may be an agency arrangement and therefore both the payment and receipts should be excluded from the Council's accounting statement. However, the Council does not have a formal agreement to operate the company's payroll and therefore I am unable to determine whether or not this is an agency arrangement.

### **Annual Governance Statement**

I am unable to conclude whether or not the Annual Governance Statement is consistent with the Council's governance arrangements for the year

Assertion 3 - compliance with laws, regulations and codes of practice. The Well-being of Future Generations (Wales) Act 2015 requires councils with income and expenditure exceeding £200,000 to report annually on how it contributes towards the well-being objectives for the area. The Council reports income and expenditure exceeding £200,000 due to the inclusion of payments related to staff costs of the Jubilee Park (Rogerstone) Management Company Limited. If these items are properly reported in the accounting statement then the Council is required to prepare an annual well-being report as the 2015 Act does not allow the Council to determine to exclude items of account when considering whether or not it is required to prepare a report.

### Other matters arising and recommendations

There are no further matters that I wish to draw to the Council's attention.
