Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2026 of **Rogerstone and Bassaleg Joint Burial Board**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Board's governance arrangements; and
- that the Board does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Board's internal controls and governance arrangements for the year:

- **Assertion 3 Publication of information online**
Section 50 of the Democracy and Boundary Commission Cymru etc. Act 2013 requires the Board to publish its audited accounts online. Regulation 5 of the Accounts and Audit (Wales) Regulations 2014 requires the Board to publish the Annual Governance Statement alongside the accounts. Regulation 15 of the 2014 Regulations requires the Board to publish along with the accounts, any certificate, opinion, or report issued, given or made by the Auditor General. The Board has failed to publish its annual returns and audit reports from previous years.

Other matters and recommendations

I draw the Board's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Board.

Bank reconciliation

As part of the audit notice the Board was requested to provide a bank reconciliation at 31 March 2026. The bank reconciliation pro forma and audit notice includes

information on how to complete the pro forma. The bank reconciliation pro forma provided to audit was completed improperly, with creditor and debtor balances included in the reconciliation. This error does not impact the accounting statement. The accounting records provided to support Line 9 in the statement of balances were satisfactory.

We recommend in future years that the Board review the instructions provided with the audit notice and on the bank reconciliation pro forma before completing the pro forma.

High level of reserves

The Joint Burial Board has carried forward reserves of £131,002 compared to its annual income of £28,494 and annual expenditure of £10,807. The closing balances have been steadily increasing for a number of years. It is not clear from the information provided for audit whether or not the Board has taken its increasing reserves into account when setting an annual budget. We recommend that the Board reviews its reserves and its plans to apply these when setting its future budgets. Further guidance is found in the Practitioners' Guide.

There are no further matters I wish to draw to the Board's attention.
