REPLACEMENT OF WATER HEATING SYSTEM AT TYDU COMMUNITY HALL

Rogerstone Community Council are seeking **proposals, cost & timescale** for replacing the existing water heating system, which is currently a Lochinvar commercial water heater. We would like to receive proposals for a high efficiency, low energy system with a low environmental impact.

The existing system & output requirements can be viewed at Tydu Community Hall, Welfare Grounds, Tregwilym Road, Rogerstone, Newport NP10 9EQ.

To make arrangements to visit the site to view the existing system, please contact –
