COMMUNITY COUNCILLOR VACANCIES

Would you like to consider becoming a Community Councillor in Rogerstone?

Rogerstone has two vacancies in its West Ward which, we would like to appoint to from any interested residents of our community.

The Community Council meets on the first Wednesday of the month (except for August) to discuss the ongoing management of the facilities we own within Rogerstone, for example, Tydu Community Hall, the Welfare Grounds sports and leisure facilities, open spaces, allotments and other public assets.

We are also involved with arranging community events as well as working with local clubs and societies to improve the facilities, which are available to residents of Rogerstone.

Members of Rogerstone Community Council would like to meet any residents who may like to join us and have arranged an **informal `drop in' session at 6pm on Wednesday 4th June 2025 in Tydu Community Hall (room/chambers) at 6pm to call in for a chat about what we do and how to become involved.** Following this, the June meeting of Rogerstone Community Council is at 7pm and any residents who may be interested can stay to observe the meeting to get a fuller understanding of how the Community Council works as well as learning how we try to benefit the community.

Please drop in for refreshments and a chat in an informal setting if you think you may like to become involved.
